

Welcome to Tunisia Surgery Website, the specialist in orthopaedic and cosmetic surgery in Tunisia.

We offer all kind of solutions for orthopaedic diseases and cosmetic surgery, and of course, other medical and surgical treatments.

If you need an optimum care in orthopaedic and cosmetic surgery within a reasonable budget, and a fixed price before travelling, please don't hesitate to look for all details on Tunisia Surgery Website.

Treatment packages include all steps – airport pick-up, surgery, post-surgery care, medical rehabilitation and hotel stay.

Why choose Tunisia?

We work with highly qualified and recognized surgeons, who were trained in famous European hospitals. Our clinics comply with Europeans standards and our prosthesis are all European-made.

At the same time, we are cost-competitive, partly thanks to a favourable exchange rate, and we provide a welcoming and relaxing environment.
